Some insurers are reporting a more difficult market for commercial auto, which remains highly competitive. A panel of insurance and claims experts will examine what is driving litigation and losses, how companies' underwriting is changing, and how ride-hailing services and autonomous vehicles are poised to change the sector.

This webinar's panelists include:

- Nathan Edmonds, Senior Partner, Secret Wardle
- Mark Vanneste, Partner, Motor Vehicle Litigation Practice Group, Secret Wardle
- Andrew Gibbs, Partner, Lindabury, McCormick, Estabrook & Cooper, P.C.
- Kayce L. Gisinger, Of Counsel, Phillips Murrah

Feel free to share this event with clients or colleagues.

Prior to the webinar, attendees are encouraged to submit questions during registration or to john.czuba@ambest.com. During the webinar, attendees should submit questions to webinars@ambest.com.

The event will be streamed in video and audio formats and attendees will be notified when the playback is available shortly after the event.
