

Secret Wardle Supports Breast Cancer Awareness Month With Mobile Mammograms

Mobile Mammogram Unit - St. John Providence Hospitals

October is **Breast Cancer Awareness** month! Secret Wardle's Troy location hosted a mobile mammogram unit on October 20, 2016, in support of the cause. Eleven employees signed up to receive examinations – three of whom have never had a mammogram before! The mobile mammogram unit utilized the latest technology and was run by friendly and courteous St. John Providence staff.

The Mobile Mammogram Unit, provided by St. John Providence and the Anthony L. Soave Family, is committed to providing “high-quality mammograms to as many women as possible to help reduce the risk of breast cancer.” For more information about the Mobile Mammogram Unit and to learn how to schedule a visit to your church, community center, civic group, neighborhood, or work-place, please visit the St. John Providence Mobile Mammography [webpage](#).
